

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.2 million (Office of National Statistics 1999). The number of people aged 85 and over has increased by 0.5 million in the same period.

There is a growing awareness of the need to develop services to meet the needs of the ageing population. The Department of Health (1999) has set out a strategy for the future of health care for older people. The strategy is based on the principle that older people should be able to live in their own homes for as long as possible, and that health care should be provided in a way that is appropriate to their needs. The strategy is based on the following principles:

- Older people should be able to live in their own homes for as long as possible.
- Health care should be provided in a way that is appropriate to the needs of older people.
- Older people should be able to access health care services when they need them.
- Older people should be able to participate in decisions about their health care.

HAMMOND HIGH SCHOOL

1951 DUNES

HEIGHTS

P U D

SHADOWS

are medians of measure.
They measure poles and boards
and sidewalks.
They measure schools.

The height is a school's
individual worth. It is
measured in the school's people.
Activities, friendships, learning,
Athletics, attitudes, leaders—
these represent inch marks.
The higher the inch marks
the greater the school's height.

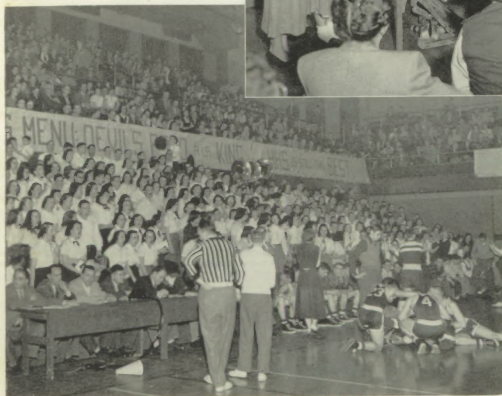

The shadow of a school
is the extent of its height.
The depth of the students' knowledge,
the warmth of their friendships,
the broadness of their attitudes,
the strength of their leaders
determine the shadow.
The shadows of many schools
pattern the world. Humanity
is their measure

A school is a paradox. Its people
make it and it makes its people.
Its shadow has height and its height,
a shadow.

Jay Ridinger, taking the oath of office from Mr. Rapp.

The ASSOCIATION, after much misplacing of the Constitution and retyping of records, reorganized the Hammond High School Hand Book into a new, easy to read, complete and streamlined edition.

In cooperation with Miss Thiel and the Monitors, the Association sponsored Clean-Up Week, stressing clean corridors, clean classrooms, clean cafeteria, and clean campus. Lockers were tidied, inspected and approved, and before the end of Clean-Up Week Hammond High was proud of its neat and shining face.

A movie, "The Trembling Earth in Georgia," was sponsored by the Association. It also brought "Demonstrations of Charles Dickens" to Hammond High.

An orientation program was organized by the officers of the Association. New students were shown around the school and welcomed by members of the faculty.

In the city-wide Loyalty Day Parade, the Association was represented by a float.

ASSOCIATION OFFICERS

Jay Ridinger, Lura Gibson, Rich Waxman

Association Week opened on Monday, April 23, with a patriotic program, and an explanation of the week's activities. Tuesday spotlighted special interest clubs, while Wednesday was House and Senate Day. Green, blue, red and purple were worn by the members of the freshman, sophomore, junior and senior classes, respectively, on Thursday—Class Day. On Friday everyone went western in levis, boots, and calico. On Friday night a Barn Dance ended Association Week with a "Swing Yo Padnar," and a "Big Stomp."

In the Hammond High School Association are five major branches. They include the Association Officers, the Court, the House and Senate, the Presidential Cabinet, and all members of the school. These branches work separately, each carrying out its own special duties—they work together, forming a unified government.

The ASSOCIATION OFFICERS were elected by the members of the Association in an open election. They were the leaders, the organizers. They carried out the orders of the Association. Jay Ridinger was president; Richard Waxman was vice-president; and Lura Gibson was recorder.

The COURT tried breakers of the rules which the Association set up. It consisted of Chief Magistrate, Doug Stuart; Senior Judge Paul Schuler; Junior Judge, Wilbur House; Sophomore Judge, Jim Wilkins; Freshman Judge, Tom Alt; Baliff, Wayne Freeman; and Recorder, John Haimbaugh.

The HOUSE OF REPRESENTATIVES consisted of one member from each advisory, elected by the members of their respective groups. It was headed by Richard Waxman, vice-president of the Association, and was a legislative body only.

The SENATE consisted of three seniors, three juniors, two sophomores, and two freshmen, elected by the class which they represent. It was both a legislative and judicial body.

The CABINET was appointed by the president with the approval of the Senate. It consisted of Secretary of Student Safety, Dorothy Fasan; Secretary of Student Activities, Glen McCullom; Secretary of Student Publicity, Maureen Blaney; Secretary of Student Discipline, Doug Stuart; and Secretary of Red Cross, Raeburn Edgington.

The MEMBERS OF HAMMOND HIGH are the makers of the Association. It lives or dies upon their approval or disapproval. It is their tool of free government.

The CENTRAL SOCIAL COMMITTEE composed of a vice-president from each school club is the pulse of the Hammond High student body. Under the guidance of Glenn McCullom, Secretary of Student Activities, the group offered suggestions necessary in carrying out this year's social program and laid the foundation for next year's program. Through their contact with club groups, the vice-presidents were able to express the ideas, wants, and objections of the students concerning social activities. Through close cooperation between the Association officers, the students, and the S.S.C., many good times can be planned. Miss Georgia Andersen is the faculty coordinator of all school social functions.

The LIBRARY supplied the students with information on everything from Caesar's Sixth Gallic War to whether moles do or don't have ears. This tremendous task was carried out by the desk helpers, who charged out books, checked attendance slips, arranged cards, and checked in books and magazines; by the room workers, who helped students locate books, assisted at the card catalogue, and Reader's Guide and shelved books; by the study hall librarians who supplied study halls with material; and by Miss Hawver, the ever busy librarian.

In the study halls book shelves were built, and a new system of study hall librarians established. It enabled students to check out books for one period without sending to the library.

In the spring a new shipment of library books included *Seventeenth Summer*, *Mrs. Mike*, *Miracles from Microbes*, *Television Works Like This*, and many others. Subscriptions to three new magazines were made.

Mary Lou Wright assisted Miss Hawver first semester. Typists were Shirley Pickell and Shirley Tully. Mr. Hill also spent one period a day in the library. Helper for the second semester was Shirley Pickell.

The MONITORS always pop up at the wrong times — when you are tiptoeing, admitless, through the halls or quietly opening your locker at twenty-five minutes after the hour. It has been rumored that they are fixing up a system of booby traps to trip up rule evaders at the doors if they get past the monitor desks.

Seriously, the Monitors do a fine job of maintaining quiet and order in the halls, promoting the general safety of the students while in school, checking lockers, enforcing admit regulations, directing visitors, and issuing court notices for negligences. Without them the halls would be less adventurous places.

In cooperation with the Association, the Monitors sponsored Clean-Up Week. They were headed by Dorothy Fasan, Secretary of Student Safety, and sponsored by Miss Thiel.

The BOOKROOM STAFF handles in a business like manner the financial problems of school organizations. The mad prancing heard in the vicinity of Room 126 each month is merely the befuddled club treasurers waiting to have their monthly reports audited. The Bookroom also supplies the student body with paper, pencils, compasses, protractors, odds and ends, and tickets of all kinds.

At the Band Parents' Carnival the Bookroom Staff sponsored a cider and doughnut booth, and they enjoyed their annual spring dinner at Phil Smidt's in April. Mr. Fruehling and Miss Frey were the sponsors.

The WINGFOOT CLUB gives "three cheers" to Coach "Whitey" Wonso-
wicz for the time and effort he has spent in assisting their activities. The purpose
of the Wingfoot Club is to earn money for the purchase of track and cross country
equipment. Through its efforts the Hammond High track squad has become the
best equipped (and the best) squad in the State.

This year the Wingfeet made over six-hundred dollars. Part of this profit was
earned from the sale of the football program "The Wildcat," which was edited by
Wayne Freeman and Joe Abatie, and peddled by club members at the games. Tom
Alt was top program salesman for the season.

BOOSTER CLUB STEERING COMMITTEE

The BOOSTER CLUB STEERING COMMITTEE fire crackered school activities. It ran a General Pep Store and sold shakers, Wildcat pins, and sweat shirts (with which they were well stocked, the last time we heard.) The purple and white cheering section which made "our side" look so effective from across the basketball court was organized by this bang-up organization.

Publicizing all school activities was the purpose of the Booster Club Committee, and this it did with signs, posters, pep-sessions, and lusty lungs. Its concession at the Band Parents Carnival sold pop, and it "Boxed Those Oilers" in a Homecoming Parade float. Both the soc-hop after the Holiday Tournament, and "Flat Foot Frolic" were sponsored by the Booster Club.

Jean Anderson was president; Tom Burns, vice-president; Sue Lucas, secretary; and Nancy Kerr, treasurer. Miss Meister was sponsor.

The DRAMATIC CLUB (whose motto might appropriately be "Broadway or Bust") offers a reward to anyone who can recommend a sure-fire method for overcoming stage fright. It also offers those interested in acting an opportunity to express themselves, and provides greasepaint and false eyelashes free of charge.

Under the auspices of Miss Kennedy, Dramatic Club members produced their own scripts and presented plays and pantomimes during club meetings. At the Carnival they enjoyed displaying the various dramatic makeups for the play which they presented.

The officers of the Dramatic Club were Cecelia Russo, president; Pat Moore, vice-president; Donna Snyder, secretary; and Barbara McCartney, treasurer.

The JUNIOR RED CROSS is an organization of which every Hammond High School student is a part. The club's main purpose is to help needy people of the community and to bind young people of the world into closer understanding of each other. The Junior Red Cross filled gift boxes for European children and made stuffed toys at Christmas. They designed favors which they took to Bethany Home and St Margaret's Hospital for Valentine's Day; filled the School Chest in cooperation with other Hammond Schools; knitted an afghan and New Havens (bed socks); made checkers; and helped entertain children at Brooks House. In April, after cheering others all year, the Junior Red Cross Representatives and guests had a splash party and splashed away good will to their hearts' content.

The officers were as follows: president, Sylvia Sipes; vice-president, Pat Hart; secretary, Trudy Eggers; and treasurer, Jerry Tankel. Miss Thomas and Miss Latimer were the sponsors.

The AUTOMOBILE CLUB stressed the motto: "The life you save may be your own." Affiliated with the Hammond Safety Council and The National Safety Council, it studied traffic hazards and promoted traffic safety within our area. The only requirement for membership in the Auto Club was an automobile operator's license.

Taking surveys of traffic light violaters downtown, hearing guest speakers from the Police Department and Inland Steel, and seeing films concerned with the operation of automobiles were part of the year's activities. The officers enjoyed Safety Council meetings in Chicago, where reports from other areas were given and traffic safety was discussed.

Mr. Beyer sponsored the club with the assistance of Walter Hammond, president; Sheldon Tilkin, vice-president; Eileen Echterling, secretary; and Harold Abrahamson, treasurer.

The INTERNATIONAL CLUB boasts thirty pen pals across the "Big Drinks" and "South of the Border." With these friends members correspond regularly, exchanging news about problems, customs, activities, families, and countries.

The International Club varied its bi-weekly program with guest speakers and discussion of news from abroad. Movies on Alaska were shown by Miss Reichl, and movies on Japan, by Miss Koonty. Mr. Nelson spoke on India, and a Russian born boy now studying at H.H.S. talked on his homeland. At Christmas the International Club sent a Care package to Yugoslavia.

Miss Taylor acted as sponsor, Elizabeth Byers as president; Jack Sherman as vice-president; Verla Richter as secretary; and Sherlie Hammond as treasurer.

Good luck, International Club. May you have continued success in your effort to promote understanding among neighbors!

The JUNIOR CLASSICAL LEAGUE provides good times for all who are interested in Latin. Its main project for the year was the Roman Banquet at which Latin students (decked out in white bed-sheet togas) reclined on cafeteria chairs while carrot strips and colored grapefruit were served in true Roman fashion. A presentation of Little Red Riding Hood (in which a wolfish wolf whistled "non-malus" at Little Red Riding Hood) provided entertainment during the feasting.

A candlelight initiation for new members, a Lincoln and Washington patriotic program, a celebration for Julius Caesar day, a potluck supper, and a birthday meeting completed J.C.L.'s activities for the year.

The officers were Ronald Howard, president; Glenn McCullom, vice-president; Phyllis Steinmetz, secretary; and Marjorie Shook, treasurer. Miss Work and Miss Abell were sponsors.

The BOHEMIAN CLUB, contrary to popular belief, is not exclusively for students of Bohemian ancestry, but for aspiring literaries whose main ambition is to break into print—even in the *Police Gazette*. The Bohemians read and criticize original short stories, poems sketches, essays, and miscellaneous manuscripts. They also discuss books and the theater. On Club Day they were distinguished by artistic, floppy, black bows and pen inkwell badges.

Bob Law was president and the only boy in the Bohemian Club. Sue Kuiper was vice-president, and Evelyn Kowalsyn was secretary-treasurer. Daphna Shope served as treasurer the second semester. Miss Allman was sponsor.

The SAM B. WOODS HISTORICAL CLUB, which concluded its second year this spring, was one of the many Indiana Junior Historical Societies affiliated with the State Organization. Its fifteen members (dusty and dim-eyed after many 'bouts with ancient volumes) studied the history of Indiana, Lake County, and Hammond, and relived the rousing battles and pioneer life of early days. In a study of genealogy they unearthed family skeletons and pirate ancestry in old records. In April they visited Crawfordsville to see the General Lew Wallace Library and the Lane Home, and got wet feet walking around Turkey Run.

Club officers included Lois Miller, president; Pat Kookan, vice-president; Virginia Sulak, secretary; and Carl Goltart, treasurer. Mrs. Byers was sponsor.

PLANT CLUB

The PLANT CLUB is interested in the green, leafy, and buggy part of Hammond High. Its members care for the plants in the library, cafeteria, halls, advisories, and in the conservatory in Room 106. Thus they gain experience in potting plants, fertilizing soil, keeping pests under control, in plant culture, and in all phases of plant care; besides, they make Hammond High plants the healthiest, finest plants in the region.

The dues which the Plant Club members pay at the beginning of the year are spent on library books for the library. Last year two books on fish and a book on mushrooms were donated by the Plant Club.

A trip to Chicago proved interesting to Plant Club members.

They also exhibited six varieties of coleus in the Social Room.

Miss Reeder was the sponsor.

Hi-Y boys (experts in the sales-talk field) sold purple and white crew hats and Wildcat buttons to earn money for baskets for the needy at Christmas and Thanksgiving, and for the World Service Fund. They sponsored a float in the Homecoming Parade, a booth at the Band Parents Carnival, and a Welcome Dance in September.

At the Elkhart Fall Conference members attended and participated in discussions on Christian living and social problems. They spent free time swimming and at the big Hi-Y Dance. Some of the members also attended the National Hi-Y Conference at Cleveland.

Mr. Lundgren and Mr. Wood acted as sponsors. Douglas Stuart was president; Ted Schwenke, vice-president; Gary Firestone, secretary; and Don Howard, treasurer.

The PRE-NURSING CLUB deals in splints, thermometers, temperature charts, and cough syrup. It was organized to acquaint girls interested in nursing with the duties and requirements of a nurse.

The club heard representatives from the hospital, public health, and the army speak. They toured St. Margaret's Hospital, visited the children's, surgical, medical, and obstetrics wards, and were instructed in nursing duties. At a Christmas party they exchanged gifts, and during spare hours they smothered each other in bandages, practicing first aid. Many black and blue marks were had from locating pressure points.

Miss Latimer sponsored the Pre-Nursing Club. Sue MacMillan was president; Pat Hart, vice-president; Anna Iorio, secretary; and Marilyn Hardy, treasurer.

The SPANISH CLUB, advocate of a special good neighbor policy, promoted a feeling of good will toward Spanish speaking countries. They conversed in Spanish during club meetings, and studied the culture, people, and music of Spanish speaking countries. They enjoyed various hot Spanish dishes (with names like anchaladas and frijoles) at the annual Christmas Spanish supper and were fortunate enough to see movies on Panama presented by Ursula Yearwood, director of children's work at Brooks House.

Carl Pritchett was president; Nancy Seely, vice-president; Shirley Roberts, secretary; and Charlotte Appleman, treasurer. Miss Kessing was the Club's sponsor.

The NEWCOMERS CLUB was fostered by the Association. For those out-of-town students attending H.H.S. for the first time, this club was the best of Samaritans, for in a warm and friendly way it helped them get acquainted with strange surroundings and schoolmates.

During club periods the Newcomers played games and talked with representatives from other clubs. They co-sponsored the "Cranberry Caper" sock-hop with the Association.

Miss Volkman was the sponsor, while Jack Sherman served as president, Pat McCarty as vice-president, and Barbara Cramer as treasurer.

The FUTURE TEACHERS OF AMERICA braved a blizzard to play concentration and drink cocoa at their Christmas party. They heard Miss Merle Gray, Hammond Supervisor of Elementary Education, speak on changes and presentation of teaching on the grade school level, and sent representatives to a meeting at Clark. Movies made classroom situations and teaching real for the future "school marms" and "profs".

The officers of the club were president, Mary Kutzner; vice-president, Florence Chynoweth; secretary, Joan Ruch; and treasurer, Shirley Morton. The sponsors were Miss Kessing and Mr. Soderquist.

The NATIONAL FORENSIC LEAGUE is one of the twenty best chapters in the United States. Its varsity debate team won top honors at the State N.F.L. Conference held at Hammond High in April. The varsity debate team also made civic performances before twenty clubs in this region, including Rotary, Lion's, Kiwanis, and the Methodist Church. They traveled many roads in Indiana and Illinois to tournaments and conventions.

N.F.L. officers, selected on basis of merit, were Jay Ridinger, Richard Waxman, Jack Burbach, Phyllis Steinmetz and John Charlton. Mr. Reed acted as sponsor.

The SPEECH ARTS CLUB provides a meeting place for arranging speech activities and encourages interest in speech work. Members practiced many long hours to prepare for competition in coming speech events. During club meetings they planned events and decided who would participate in the events.

Wilmajean Bock was president; John Cochran was vice-president, Frances DeWest was secretary, and Phyllis Beatty was treasurer. Mr. Matasar was the sponsor.

The STAGE CREW is everything you do and don't see. They pull the curtains, adjust the lights, design, paint, and put up the scenery, and see that the auditorium programs start on time. They also rig up the sound effect equipment which produced the thuds, hoof beats, lightning, and miscellaneous sounds in plays, concerts, and auditoriums. Their biggest headache is the switchboard, which is continually blowing a fuse or quitting altogether.

In the spring "the little stage slaves" went into Chicago to the Goodman Theater, where former stage manager Jack Bates showed them around backstage. In the Homecoming Parade the Stage Crew won first prize with their "Setting the Stage for Victory" float. With the prize money they ice-skated at the Chicago Arena.

Ben MacFarlane is stage manager and Miss Davis is director.

The club is affiliated with a national organization, and was organized to prepare Hammond High School students to become better business workers and leaders. Robert Stickler of Proviso Township High School and Miss Theresa Sharp of Horace Mann initiated the new FBLA members.

A panel discussion by local merchants, and a talk by Mr. Ennis were the activities of the club. Joan Pozdol served as president; Bob Tomsic as vice-president; Caroline Raasch as secretary; Marlene Deutsch as treasurer; and Louis Gussman as reporter. Second semester sponsor was Miss Jasper.

Y-Teens activities for the year included the collection of three-hundred Hershey bars for distribution in an Austrian high school, and the sewing of stuffed animals in co-operation with the Red Cross. The social side of Y-Teen life developed with hot chocolate and cookies at a Christmas party, a fellowship tea at Mrs. Tinkham's county Y-Teen meetings, and "Holiday for Hearts," sponsored by the club for Valentine's Day.

RADIO CLUB

The RADIO CLUB tinkered with condensers, vacuum tubes, antennae, loud speakers, and dials. Members constructed an amplifier for a guitar and repaired a number of radios. They built instruction kits, including tube arrangements for instruction in radio.

During a visit to a radio station the Radio Club saw the production of a radio program and observed transmission methods in use. The director of Valparaiso Radio School spoke at Hammond High on opportunities in the radio field, and members gave reports on the progress of television.

Jim Trimble was president; Ken Cook, vice-president; and Mike Woelfel, secretary-treasurer. Mr. Wood was sponsor.

The GERMAN CLUB made a scrapbook to send to Germany and translated letters from Germany for the Red Cross. New members were initiated in a formal ceremony, after which they danced, played games, and had refreshments in the cafeteria. They sponsored "The Tootsie Roll Whirl" during the basketball season.

Elizabeth Byers, Marguerita Brasel, Mary Iorio, and Philip Vezey competed with other German students in the Undergraduate Division of Navy Pier Scholarship Exam, sponsored by the Association of the Teachers of German. The prize money helped pay the college expenses of the winner.

Jim Moore was president; Philip Vezey was vice-president; Clive Crum was treasurer; and Judy Volkman was treasurer. Miss Reichl was sponsor.

The EXPANDED ARTS CLUB lived up to tradition with a combination of social and educational activities. Their biggest project was a trip into Chicago to the Merchandise Mart, where they saw a permanent exhibit of the finest contemporary design; toured the Institute of Design; saw the famous Christmas decorations at Marshall Field's; saw Rainey Bennett reproductions at the Chicago Public Library; viewed the Academy of Fine Arts and visited the Art Institute.

Special meetings featured films on the properties of color, line, form, texture, and space were shown, and a former H.H.S. art student demonstrated techniques on silk screening and block printing. Primitive masks provided decoration at the Fall Expanded Arts initiation.

"Shades of Orchid" was the theme of the Expanded Arts semi-formal in May at which the "most glamorous gal and her guy" were chosen.

Officers for the first semester were Louis Karubus, president; Shirley Warmbier, vice-president; Carol Ebert, secretary; and Leona Marlow, treasurer. Second semester officers included Shirley Warmbier, acting president; Jane Chernan, acting secretary; and Louis Karubus, treasurer. Miss Schubkegel was sponsor.

The VISUAL AIDS boy carries on a large part of his activity in Room 208 where he shows films for various classes. He is distinguished by the projector pin which he wears, and by his sharp eyes which are trained for unsnarling film and fixing projectors in the dark. A Visual Aids student not only shows movies for classes, but also for auditorium programs and special presentations. He operates all the sound equipment which includes recording machines, microphones, and record players.

The radios which broadcast General MacArthur's speech to Congress in every classroom were provided by the Visual Aids. Movie equipment for civic organizations is also supplied by this group.

Don Meyer was Visual Aids student chairman, and Carl J. Hayworth was the assistant in charge of sound equipment. Mr. Seddelmeyer is Visual instructor for the Hammond Schools.

Jack Burbach's project was entitled "*H*", *an Invariant of the Universe*, while Bob Benedict's was on *The Derivation of Einstein's Law of Gravitation and Its Consequence*.

Mrs. George Towle, past winner of the Westinghouse Scholarship, spoke to the club on her winning project. Hammond High chemistry classes and junior high science clubs heard members talk on the National Talent Search Program.

Mr. Wood, physics instructor, was the sponsor. Jack Burbach was president; Tom Hansen, vice-president; and Vivian Snyder, secretary-treasurer.

Mr. Bolt and Marvin Bolling,
 editor

THE DUNES will have to admit, now that the thing is over and done, that the nervous frustration, heated discussions over the dummy, stifled groans when one of the co-editors walked in, and occasional mice in the wastebasket of Room 8 involved in getting a yearbook together, have been offset by the fun had and the friendships made.

During the Christmas season the Dunes presented the movie, *The Littlest Angel*, and sponsored a semi-formal, "Winter Winds" at Marquette Park. With the Herald they entertained staff members from regional publications at the City Wide Press Conference. Together the Herald and Dunes chartered a bus, toured the Tribune Tower, and saw a telecast. Climaxing their year of feudin' and fussin', the staff took their supper to the beach and spent the evening drowning each other and playing baseball on the sand.

Clem Singleton and Nanci Applegate were co-editors of the 1951 Dunes. Shirley Benson, Phyllis Chapman, Al Cox, Marjorie Hoffman, Ann Huber, Rosanna Robaska, Margo Wilke, and Nancy Stewart were on the editorial staff. The business staff included Helen Kuhlman, manager, Harold Abrahamson, Al Cox, John Haimbaugh, Margene Rowley, Paul Schuler, Carol Hesterman, and Florence Chynoweth, and Louis Karubas. Miss McGranahan was editorial advisor, and Mr. Dunham, financial advisor.

The Dunes Staff sincerely thanks the following people for the assistance given in the publication of the 1951 annual: Mr. and Mrs. O. W. Bodie, John Wauro and Mrs. L. R. Rhodes of Bodie's Studio; The Kingsport Press for the Dunes cover; Miss Schubkegel for suggestions in designing the cover; Lola Plath, 11-A art student for frontpiece design; Mr. Joe Todd of Fort Wayne Engraving Co., DeLaney Printing Company; Hazel Lindstrom and the Hammond High office force; Mr. Dunham, financial; and Miss McGranahan, editorial advisor.

THE HERALD is seriously thinking of petitioning a six day week—one without Deadline Wednesday. The only disadvantage with this is that Tuesday would become Deadline Tuesday, and the hectic flying about of papers and staff members would begin a day earlier.

Mr. Bolt and four staff members attended the Indiana High School Association Convention. Harlan Friedrick was delegate to the National Scholastic Press Convention in Franklin, Indiana.

At the Annual Butler Field Day in Indianapolis the staff attended different discussions on school publications. They visited Brown County and enjoyed seeing the gold fish hatcheries at Martinsville. (Could the Herald be considering a mascot?)

In cooperation with the Dunes Staff the Herald sponsored a city wide press conference which was attended by 125 yearbook and newspaper staff members from other schools. Discussions concerning problems and new ideas for publications were held, and two members of the Hammond Times staff spoke. Punch and cookies (the remainder of which was sold to the J.L.C. for a nominal fee) encouraged acquaintance and chatter.

Marvin Bolling was editor of the Herald; Jeanne Carroll was managing editor; Fran Doyle, news editor; Frances McPherson, feature editor; and Evelyn Parker, circulation editor. The staff was advised by Mr. Bolt and assisted by the journalism class.

The A CAPPELLA CHOIR provides advanced training for a select group of music students. The Choir sang for auditorium programs, the Music Festival, the Christmas and Spring Concerts, the Hammond Kiwanis Club, Commencement, and Baccalaureate.

Marilyn Brown played the piano and Miss Waterbury was director.

The GIRLS' GLEE CLUB, under the direction of Miss Waterbury, consists of girls who have had at least one year of vocal training. It participated in the Christmas Concert, the Spring Concert, the Music Festival, Baccalaureate, Commencement, and several auditorium sessions.

The officers selected by the group were Dorothy Souligny, president; Gail Cole, vice-president; Martha Johnson, secretary; and Janice Vinyard, treasurer.

The CHORAL CLUB, inspired by new purple robes, sang in the Christmas and Spring Concerts, the Music Festival, Baccalaureate, Commencement, and several auditorium sessions. It is an advanced singing group of boys and girls, all of whom have had a year of vocal training before becoming a part of this group.

Miss Waterbury directed and Carol Williams accompanied the Choral Club.

The GIRLS' CHORUS was originated to give all girls interested in vocal work some idea of vocal techniques and an opportunity to enjoy ensemble singing. Any Hammond High School girl is eligible to join this beginning vocal group.

In the Christmas Concert the Girls' Chorus did antiphonal singing from the auditorium balcony, a new feature which received favorable comments. They also participated in the Christmas auditorium, the Easter Auditorium, the Spring Concert, the City Music Festival, and Commencement.

Miss Volkman was director for the first semester; Miss Kring directed the chorus the second semester.

The SENIOR BAND, for the third successive year, won top honors in the state of Indiana. The ultimate in instrumental groups at Hammond High, they provided entertainment for football fans between game halves, and tuned up for special auditorium and pep sessions. Those who were fortunate enough to hear the Senior Band perform in the Spring and Fall Concerts rewarded the players by their expression of both enjoyment and appreciation.

Mr. Diercks directs the Senior Band.

The ORCHESTRA, under the direction of Mr. Gekeler, consists of forty pieces—violins, cellos, harps, brasses, and woodwinds. In full dress Orchestra members presented the winter musical concert, "Music Through the Ages." They also played for the fall and winter plays, and the Band Parents Carnival.

The JUNIOR BAND prepares members for Senior Band and provides them with an opportunity to play in an instrumental group. It is composed of thirty-five members who play instruments ranging from the small flute to the low bass tuba. The Junior Band played in the Music Festival and in the Band Concerts. In instrumental performances in which they did not play, they helped behind the scenes with props and extras.

Mr. Gekeler directs the Junior Band.

FOOTBALL

Hammond High opened its 1950 football season with a resounding crash by giving Thornton Fractional a 31 to 6 lesson on the Meteor home field. Joe Baliga played outstanding ball by running for two touchdowns and passing for another.

The Wildcats dealt Bishop Noll their only defeat of the season, by a score of 7 to 6. It took a 35-yard point after touchdown conversion by Baliga to salvage the game.

Hammond High made it three in a row as they swamped Clark, 32 to 6. Almost everyone on the squad saw some action after the Wildcats accumulated a 20 to 0 first half lead.

For the first time in seven years HHS beat E. C. Roosevelt, by a score of 6 to 0. Al Gomez became the hero of the Wildcat cause by scoring the game's only touchdown on a 25-yard end run in the last quarter.

Hammond had to settle for a 7-7 tie with a keyed-up Whiting squad, who spoiled the day for a capacity homecoming crowd.

Evansville Reitz, with their trick plays and long passes, caught the Wildcats off-guard and defeated them 7-6 with a last quarter touchdown.

Hammond High jumped to a 7-6 half time lead, but faltered before a powerful E. C. Washington offense, to lose 20 to 7.

Gary Emerson dealt the Cats their third straight loss, 14 to 6, at weather-beaten Gleason Field.

Hammond Tech defeated the Wildcats 13 to 0, in a game which saw the thermometer descend to 18 degrees. The Cats held their own for most of the game, but seemed to lack a scoring punch inside the 20 yard line.

Hammond High finished the season with a record of 5 wins, 3 losses and 1 tie. Joe Baliga and Captain Tony Milazzo were recognized for their stand-out play by being awarded positions on the all-conference team.

BASKETBALL

H.H.S. 57; South Bend Central 46

The Wildcats broke fast and were never behind the strong South Bend quintet, which featured several of a 1950 semi-finalist team.

H.H.S. 46; Hammond Tech 44

The Kingmen showed their lack of experience and clutch shooting ability by losing a 12-point lead.

H.H.S. 55; Hammond Clark 30

By their use of a pressure defense, the Cats downed the Clark team which later fought its way to the sectional finals.

H.H.S. 51; Fort Wayne Central 35

It was four in a row for the Wildcats and the fans were talking tournaments.

H.H.S. 48; Tolleston 32

Although playing without the injured Joe Baliga and Dick Powley, Hammond recorded its fifth straight win.

H.H.S. 49; Muncie Central 69

The Bearcats outclassed the Wildcats and later went on to the 1951 state championship.

H.H.S. 45; Lafayette 69

Although Jim Neidow hit for 20 points, the Lafayette jinx held again, this time in the Jeff gym.

H.H.S. 45; Bishop Noll 35

This game set the stage for the sectional game in which Noll was out for revenge and got it.

H.H.S. 58; Hammond Clark 48

The Wildcats copped their third consecutive holiday tourney by outshooting the Pioneers.

H.H.S. 64; Whiting 46

Balanced scoring plus a .366 shooting average enabled the Kingmen to grab this victory easily.

H.H.S. 54; Valparaiso 64

A spirited Viking team blazed the nets to the tune of a .500 shooting average to overwhelm the Cats.

H.H.S. 48; LaPorte 53

Hammond fought the Slicers right down to the wire, but lost in the last minute.

H.H.S. 69; Horace Mann 47

The Kingmen outclassed the Horace Mann team, one of their weakest in several seasons.

H.H.S. 46; Emerson 49

Both teams played poor ball and the Emerson zone defense proved too much for the Cats.

H.H.S. 47; Roosevelt 44

Baskets by Baliga and Potect in the last six seconds of play brought Hammond through to a well-deserved victory.

H.H.S. 69; Lew Wallace 67

The fast-break tactics used by both teams made this a high scoring game that could have gone either way.

H.H.S. 55; E. C. Washington 59

A last quarter rally by the Senators, after three Hammond regulars had fouled out, turned the tide for East Chicago.

H.H.S. 61; Hammond Tech 59

For the second time this season the Tigers fell two-point victims to the Wildcats.

H.H.S. 52; Hammond Clark 48

A thrilling overtime battle saw the Kingmen emerge victorious on baskets by Neidow and Hofferth in the extra period.

Hammond 56; Froebel 61

An inspired Hammond team took the floor against undefeated Froebel and fought to the end before being downed by the giant Blue Devils.

H.H.S. 57; Bishop Noll 58

Hammond rooters saw their team's hopes for a fourth consecutive sectional title fade in a heart-breaking one point loss.

The Wildcats compiled a record of 13 wins and 8 losses, for a fairly successful season. Hopes for next year are high in view of the H.H.S. "B" team, which won 8 and lost 7. They won the city "B" team tourney and showed flashes of promise for next year. The freshman-sophomore team won 5 and lost 9 and the freshman team split even, winning 9 and losing 9.

SWIMMING

This year's swimming team will no doubt go down in Hammond High's athletic history as the greatest. The mermen extended their winning streak to 27 straight. They won the eleven regularly scheduled meets easily, and climaxed the season by winning the NIHSC crown and the State Championship. The team broke both team and individual records galore. The 61 points scored in the NIHSC meet and the 68 points scored in the state meet at the Purdue Fieldhouse were the highest totals ever recorded in these meets. Bob Martin broke the state record established in 1942 in the 100 yard breast stroke. He lowered it from 1:11.8 to 1:08.8. Ronald Bobinsky lowered the state record in the 100 yard back stroke from 1:09.0 to 1:06.6. The record had stood for eight years. Wayne Hagerman established a new state record in the 200 free style. His time was 2:16.0. The 150 yard medley relay team tied the state record of 1:28.9 established in 1942. Next year's team will probably continue the string of victories and new records, for several of this year's standouts will be back for another season and another crack at state records.

INTRAMURAL PROGRAM

The intramural program continued to progress under the leadership of Mr. Berceles of the faculty and Harry Gallagher, student manager. The slogan "A team for every student and every student on a team" was realized even more fully this year. Cooperating with the physical education department, the program was extended to include basketball, tennis, horseshoes, cross country, and swimming. The girls' program was more varied and a co-ed volleyball tournament proved to be quite popular.

GOLF

Several steady players from the 1950 team were returning at the start of this season to put Hammond High in the running for the golf championship. At press time Coach King listed as his squad the following boys: Granack, Boyle, Whitaker, Pickford, Snow, Warmus, Sachs, and Loss.

TENNIS

The tennis team lost only three matches during the regular season, two of these at the hands of East Chicago Washington, the 1950 conference champions. The other loss was to Blue Island, long-noted for its tennis teams. The net-men ended the season with 5 wins, 3 losses, and one tie. The team finished second in the conference meet.

Members of the team, which was coached by Mr. Overman, were Nelson, Gallagher, M. Woelfel, Abrahamson, Field, Cook, Kuhn, Korba, Evans, H. Woelfel, and Miller.

BASEBALL

The Baseball team of 1950 climaxed their season by winning the western conference championship. The Hammond American Legion team, composed largely of Hammond High students, won the Indiana State Legion Ball Championship. The 1951 team, which was again on its way to a fine record, was composed of many of the same boys who played on last year's state championship squad. Out of its first 10 games, Hammond High won 9 and lost 1. At press time, the chances for another conference championship seemed promising.

The 1951 team listed the following players: Baliga, Mann, Gregg, Shaw, Schmagranoff, Bobinsky, Schafer, Hofferth, Perdew, Carpenter, Milazzo, Pruitt, McCullough, Boatman, Payer, Rausch.

TRACK

Through a great deal of hard work, the track team compiled an impressive record up to press time. At this time the Cats had lost only one regular dual meet, had placed second in the Goshen Relays, and had placed first in both the city indoor meet and the western conference indoor meet. Several outstanding individual performances pointed to a creditable record for Hammond High in the state meet in May.

The freshman-sophomore team had won four and lost one up to press time. Included in these wins was the annual city indoor meet.

CROSS COUNTRY

This year's cross country team compiled a fine record, considering the fact that every member of last year's team had graduated. They won 4 meets, lost 1, placed 7th in the Hobart Invitational, 11th in the NIHSC meet, and 8th in the state sectionals. The freshman-sophomore team won 5 meets including the city meet. They were second in the tri-city meet. The freshman team won the city freshman cross country meet. The fine records of the reserves point to a very good season for next year's cross country harriers.

The **GIRLS' ATHLETIC CLUB** offers lively competition and fun for girls who enjoy sports and who are interested in team play after school. Included in the activities are speedball, volleyball, basketball, ping-pong, bowling, and swimming. At the end of each season the G.A.C. girls give a party to celebrate tournament victory and to award the winning team its trophy. Sponsored by Miss Dieterich and Miss Meister, G. A. C. now has fifty-two members.

The **SWIMMING CLUB**, the wetter part of the G. A. C., practiced ballet swimming the first semester, and presented a splashy ballet in the Band Parents Carnival. Both junior and senior lifesaving were taught the second semester, and the ballet minded "star fishes" got down to business and learned how to drag fellow strugglers out of the pool before the "third down".

ROSES FOR EVERY GARDEN

other flower buds to open. This method is useful in the case of roses and Berberis. After all the flowers to be kept have opened, cut back the tip of the stem to the first leaf below the eye. If you haven't much time and there are a lot of eyes, just snip off all the dead blooms, without cutting the stem to the first year bud. New growth will come from the buds, but plants will lack the trimness possible with the careful method. Sharp pruning shears or a razor-sharp knife are the best tools to use.

DISBUDDING

One bloom to a stem is attractive if the flowers are to be cut; it is essential for exhibition purposes. Many hybrid and hybrid polyanthas may be disbudded even for garden display, but disbudding is rarely practical with polyanthas of flowers and buds. Hybrid tea and hybrid polyanthas produce three or more buds to a stem. In their case, disbudding refers to the removal of the secondary buds. When competition is eliminated, the remaining central bud develops to its greatest perfection with improved color, size and form.

Disbudding should be done just as soon as the secondary buds are large enough to take hold of and break off cleanly. Take the tiny bud between the fingers and with a downward and sideward movement sever it close to the stem. When it is properly done, no scar appears. If you disbud too early, pinching off buds with the fingers, a scar will appear and defeats the purpose of the practice for the secondary buds.

108

PRUNING, CUTTING, AND DISBUDDING

continue to compete and their low centers leaves an ugly scar. Such a scar guarantees the appearance of a new shoot.

TRAINING OF CLIMBERS

The method by which climbers are trained to display their blossoming quality is greatly affected by the place in which they are trained. In general, if trained on vertical supports, the blossoms are trained to open on vertical growths. For the case of spreading, the outside of the plant is the most of spreading, close to the center of the plant, the lower part of the vertical line and then attach themselves to the stem so that they hang parallel to the ground about a foot above the lower canes.

The canes of some varieties are stiff and will not be trained to fan-shaped or else supported in the form of arches. Such stiff-growing varieties will grow more rapidly if kept perpendicular until they have attained sufficient length to be trained in a horizontal, arch, or fan position.

This method of training, more horizontal also applies to the hardy climbing roses, which when the purpose is to have a large display of blossoms, the long canes are trained to fan-shaped or arch-shaped. The plan is to allow them to fall, and then to cut them back to a few inches above the ground.

A Word of Appreciation . . .

- We are deeply grateful to the Alumni of Hartnett College, whose splendid records in business have made possible our growth and success as business educators. The distinction our young men and young women have brought to us is sincerely appreciated.

- We invite into membership with us other young men and young women who may wish to follow in the steps of those who have achieved success and happiness in preparing for their life's work in our school.

TARGET OF OPPORTUNITY

Congratulations! You've passed an important milestone in your life. What now? Many of you face a responsibility to serve our country in the armed forces. Many of you . . . now, or in the future . . . will be called on to do an equally important task . . . to produce the goods this country needs to maintain its military and economic stature in the world. In peace and war . . . *steel* is one of the nation's most important resources.

Inland Steel has been at Indiana Harbor for 50 years. And ever since that day in 1901 when ground was first broken, Inland has steadily expanded and modernized this plant.

Inland is an integrated steel company. This means the entire cycle of steel production . . . from raw material to finished steel . . . is carried on by Inland.

Today there's no particular trick in finding just "a job." The problem is, *finding a future . . .* locating an organization that welcomes young men and women . . . and offers them interesting, profitable and secure jobs . . . *but more important, gives them a chance to get ahead!* These are the things you want in a career. These are the things Inland offers young men and women. Your target of opportunity is the Inland Steel Company.
